**Statement Concerning Your Employment in a Job
Not Covered by Social Security**

Employee Name _____ Employee ID# _____
Employer Name Mercer County ESC Employer ID# 34-1326142

Your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected. Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job. For example, if you are age 62 in 2013, the maximum monthly reduction in your Social Security benefit as a result of this provision is \$395.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to Social Security Publication, "Windfall Elimination Provision."

Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your pension.

For example, if you get a monthly pension of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security (\$500 - \$400=\$100). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to Social Security Publication, "Government Pension Offset."

For More Information

Social Security publications and additional information, including information about exceptions to each provision, are available at www.socialsecurity.gov. You may also call toll free 1-800-772-1213, or for the deaf or hard of hearing call the TTY number 1-800-325-0778, or contact your local Social Security office.

I certify that I have received Form SSA-1945 that contains information about the possible effects of the Windfall Elimination Provision and the Government Pension Offset Provision on my potential future Social Security Benefits.

Information about Social Security Form SSA-1945 Statement Concerning Your Employment in a Job Not Covered by Social Security

New legislation [Section 419(c) of Public Law 108-203, the Social Security Protection Act of 2004] requires State and local government employers to provide a statement to employees hired January 1, 2005 or later in a job not covered under Social Security. The statement explains how a pension from that job could affect future Social Security benefits to which they may become entitled.

Form SSA-1945, **Statement Concerning Your Employment in a Job Not Covered by Social Security**, is the document that employers should use to meet the requirements of the law. The SSA-1945 explains the potential effects of two provisions in the Social Security law for workers who also receive a pension based on their work in a job not covered by Social Security. The Windfall Elimination Provision can affect the amount of a worker's Social Security retirement or disability benefit. The Government Pension Offset Provision can affect a Social Security benefit received as a spouse, surviving spouse, or an ex-spouse.

Employers must:

- Give the statement to the employee prior to the start of employment;
- Get the employee's signature on the form; and
- Submit a copy of the signed form to the pension paying agency.

Social Security will not be setting any additional guidelines for the use of this form.

Copies of the SSA-1945 are available online at the Social Security website, www.socialsecurity.gov/online/ssa-1945.pdf. Paper copies can be requested by email at ofsm.oswm.rqct.orders@ssa.gov or by fax at 410-965-2037. The request must include the name, complete address and telephone number of the employer. Forms will not be sent to a post office box. Also, if appropriate, include the name of the person to whom the forms are to be delivered. The forms are available in packages of 25. Please refer to Inventory Control Number (ICN) 276950 when ordering.

NETWORK PRIVACY AND ACCEPTABLE USE POLICY FOR SUBSTITUTE TEACHERS/AIDES

It is the intention of the Mercer County Educational Service Center's Board of Education to protect the privacy of substitute teachers/aides who use the school computers, computer network, and electronic messaging systems to the maximum extent possible given the operational and security needs of the District. The purpose of this policy is to identify the limitations on this privacy and the general restrictions applying to the use of computers and electronic messaging systems of the District.

Acceptable and Unacceptable Uses

The computers, computer network and messaging systems of the School District are intended for educational uses and work-related communications. Incidental use of the e-mail and voice mail systems by staff members for personal communications is permitted as long as such communications are limited in number, are initiated during non-work periods, and do not interfere with the primary intended uses of the system.

The following are uses which are unacceptable under any circumstances:

- the transmission of any language or images which are of a graphic sexual nature
- the transmission of jokes, pictures, or other materials which are obscene, lewd, vulgar, or disparaging of persons based on their race, color, sex, age, religion, national origin, or sexual orientation
- the transmission of messages or any other content which would be perceived by a reasonable person to be harassing or threatening
- uses that constitute defamation (libel or slander)
- uses that violate copyright laws
- uses that attempt to gain unauthorized access to another computer system or to impair the operation of another computer system (for example, the transmission of a computer virus or an excessively large e-mail attachment)
- any commercial or profit-making activities
- any fundraising activities, unless specifically authorized by an administrator

Security and Integrity

Substitute teachers/aides shall not take any action which would compromise the security of any computer, network or messaging system. This would include the unauthorized release or sharing of passwords and the intentional disabling of any security features of the system.

(OVER)

Substitute teachers/aides shall not take any actions which may adversely affect the integrity, functionality, or reliability of any computer (for example, the installation of hardware or software not authorized by the System Administrator).

Substitute teachers/aides shall report to the System Administrator or a School District administrator any actions by students which would violate the security or integrity of any computer, network or messaging system whenever such actions become known to them in the normal course of their work duties. This shall not be construed as creating any liability for staff members for the computer-related misconduct of students.

Right of Access

Although the Board of Education respects the natural desire of all persons for privacy in their personal communications, and will attempt to preserve this privacy whenever possible, the operational and security needs of the District's computer network and messaging systems require that full access be available at all times. The School District therefore reserves the right to access and inspect any computer, device, or electronic media within its systems and any data, information, or messages which may be contained therein. All such data, information, and messages are the property of the School District and substitute teachers/aides should have no expectation that any messages sent or received on the School District's systems will always remain private.

AGREEMENT

I have read the "Network Privacy and Acceptable Use Policy for Substitute Teachers/Aides" relating to substitute teachers/aides use of the computers, computer networks, and electronic messaging systems of the School District.

I would like to be given access to the School District's computer network and any electronic messaging systems. I understand that such access is a privilege which may be withdrawn in the event of non-compliance with the above Policy.

I agree to comply with the "Network Privacy and Acceptable Use Policy for Substitute Teachers/Aides" and understand that access to the network and messaging systems is a privilege which may be withdrawn in the event of noncompliance with the above Policy.
